

## Our Philosophy

As an important ministry of the Grace Lutheran Congregation, Grace Christian Child Care Center will help fulfill each of the congregation's five functions: education, worship, evangelism, fellowship, and service.

**Education.** Education occurs daily in all subjects to prepare children to serve God and people throughout their lives. The Holy Spirit through God's word nurtures children's faith in Christ.

**Worship.** Children will be encouraged to grow in their prayer lives, learning to pray privately and corporately whenever needs or opportunities arise.

**Evangelism.** Children of un-churched families hear the good news of Jesus' love and share it with their families and friends.

**Fellowship.** Each person's uniqueness is recognized, and individuals are helped to achieve their full potential. Teachers and students work together to maintain a classroom atmosphere of love and joy.

**Service.** Children are led to help others, not only in the school, but also in the community and the world. Teachers encourage Christ-like compassion and love for all people.

Grace Christian Child Care Center offers quality child care and daily preschool in a safe and loving environment in which each child can grow and share in the love of Jesus Christ. The program is designed for the age group served and implemented with attention to the needs and differences of the individual children enrolled.
